

LET'S MAKE Peep Playdough

Ingredients Needed:

- 5 Peeps (all of the same color)
- 3 Tablespoons of flour
- 1 Tablespoon of Crisco

Directions:

1. In a microwave safe bowl combine the above three ingredients.
2. Microwave for 30 seconds, peeps will expand.
3. Stir and let sit for 30-60 seconds.
4. Remove from bowl and kneed the mixture for 30 seconds or until it is a smooth dough texture.
5. Enjoy!

Tips:

- Optional - Add food coloring before direction #3 to make your Peep Playdough colors more vibrant.
- Peep Playdough is marshmallow playdough so it is EDIBLE!
- Make different batches of Peep Playdough with different Peep colors! You can typically find Peeps in pink, purple, blue, yellow, and green.
- Peep Playdough is a great multi-sensory activity for young children.
- Peep Playdough can be saved in plastic wrap and stored in a room temperature area for 30 days. To reuse and soften, place playdough in the microwave for 5-10 seconds.
